SENIORS

... begin their big year at CHS in a swirl of changes ... enjoy long awaited privileges ... bask in a new status ... join in new activities ... all the while preparing for the biggest change of all—their emergence from the proverbial nest of childhood to try their wings as full fledged adults ... are ready to cope intelligently with the many trials and triumphs the world will present.

Senior class officers are, at the right, Craig Martin, president; Anne Dugan, secretary; Dan Muter-spaw, treasurer; and Ken Wiggins, vice-president. Leadership and vitality will be necessary to lead the Senior class and all Conradians to accomplish some of the dreams they envision!
